IX, §6 below, no portion of any dues shall be refundable notwithstanding the resignation or termination of Member's membership in the Club, or the suspension of Club or pool operations for necessary repairs or other reasons. Members of the Club who reside in Mecklenburg or Union County are liable for full dues regardless of usage. A Member may not elect to reduce or eliminate this amount by refraining from use of the Club facilities for any period of time.

Section 5. Additional Assessments. Additional assessments may be levied by the Board of Directors whenever necessary to pay the Club's indebtedness or to make capital improvements provided, however, that assessments in excess of \$100 per member in one fiscal year shall require the approval of majority of the total membership.

Section 6. Redemption of Charter Membership Certificate. Except as provided in Art. III, §8, all certificates of charter membership are nontransferable, nonnegotiable and will be redeemed at such time as (1) the Charter Member resigns his membership in writing and (2) the total membership of the Club exceeds 300 members in Good Standing. Whenever such Charter Member resigns, or his membership is terminated, such resignation or termination shall constitute an offer of his charter membership certificate for redemption. Except for payment as herein provided, each certificate of charter membership shall become null and void upon the date that the holder thereof ceases to be a Member for any reason. In the event a replacement membership is obtained, the charter membership certificate shall be redeemed in chronological order of resignation at such time as the total membership exceeds 300 members in Good Standing and there are funds currently available in the Club for the redemption. The redemption price of the certificate shall be the amount stated on the charter membership certificate; provided, however, there shall be deducted from such redemption price all amounts due and owing by the Charter Member of the Club at the time of such redemption. As soon as a Charter Member shall resign or his membership terminate for any reason whatsoever, the Charter Member shall surrender possession of his certificate of charter membership to the Club, and in the event the Club is unable to obtain possession of the certificate of membership, it shall be cancelled on the books of the Club.

Section 7. Dissolution. In the event of the dissolution of the Club in any manner or for any cause, but no other event, upon the effective date of dissolution of the Club, any outstanding charter membership certificates shall be a lien upon the proceeds of the sale of the property of the Club after (1) the payment of all its just debts and obligations and (2) the return of all assets of the Club held upon condition requiring return, transfer conveyance by reason by dissolution to the extend of the stated redemption value of the charter membership certificates as fixed by these by-laws, subject to set-off of all debts,

dues and obligations owed by the holder of the charter membership certificates. After payment of all charter membership certificates outstanding upon Club, the remaining surplus, if any, shall be paid and distributed pro rate amount the various Members of the Club.

Section 8. Miscellaneous. Members shall be responsible for the payment of all charges and liabilities that may be imposed upon such Member by reason of the Dependent Members listed on said Member's membership to whom the Club privileges and use of the Club facilities shall have been extended, and for all charges and liabilities imposed upon or incurred by guests introduced by such Member or the Dependent Members listed on said Member's membership.

Section 9. Taxes. All fees and other charges referred to herein are exclusive of taxes imposed by the Federal, State or other governmental bodies or agencies.

ARTICLE X. USE OF CLUB FACILITIES.

Section 1. General. The Club privileges and facilities are for the sole and exclusive use and benefit of the Members of the Club, the Dependent Members listed on their membership and their bona fide guests, and any other use thereof is absolutely prohibited except as may be provided by the Board of Directors.

ARTICLE XI. AMENDMENT TO BY-LAWS

Bylaws may only be changed by a vote of the general membership.

To suggest a vote by the membership one of two things must occur:

1. The Board may vote to present a change of the bylaws to the membership for their consideration with a 2/3 vote of the entire Board of Directors. (At least 6 board members would need to vote FOR including the item on a general ballot to the membership.) Such a vote would take place at a regular meeting of the Board.

OR

2. The general membership may present a petition signed by not less than 25% of the current membership for inclusion of an item on the general ballot. (One signature per membership; if more than one signature per membership is turned in the petition will be considered null and void.)

Once the change to the bylaws is approved to appear on a ballot, the Board will publicize the upcoming vote for not less than 14 days, through email and website announcements. This period will allow discussion of the proposed changes between membership and the Board.

At the end of the 14 day period, a general ballot of the membership would need to be sent via email (NOT web based); voters will be given not less than 5 business days, including at least two weekend days (at least 7 total days), to respond. There must be at least one email reminder sent out halfway through the time period. One ballot per membership will be sent to the primary email address on file.

The item would be considered VALID if at least 66% (not rounded up) of the membership casts a vote (example: if 150 memberships, at least 100 votes would need to be cast.) If fewer than 66% (not rounded up) of the membership cast a vote, the election will be considered INVALID and the item for vote would be considered failed. If at least 66% (not rounded up) of the membership votes, then the side with at least a 50% +1 majority of votes would prevail.

If after no less than 3 consecutive membership votes, the elections are all considered invalid, then this bylaw will revert back to the bylaws as approved on 3-31-10.
